This letter is to verify that Sophia Enriquez has spent **37** hours assisting me in the Oral History project about Latin@s in Ohio.

Kelly has been working extensively with me in my Oral History project. She has traveled with me to Cincinnati, OH to provide technical assistance and take pictures and conduct some of the interviews. She also was instrumental in the planning of interviews, recruiting of participants, and editing of videos. Because these projects intend to provide a more wholesome picture of Latin@ life across Ohio, her participation and assistance were extremely helpful to me.

It was great to have Sophia working with me and assisting during the interviews at various locations across the state.

Sincerely,

**Elena Foulis, PhD**
